AREA OF IMPROVEMENT	ACTION(S)	LEAD RESPONSIBILITY	TARGET FOR COMPLETION	RESOURCES AVAILABLE/ REQUIRED	PROGRESS	
					<input checked="" type="checkbox"/> Fully Achieved <input type="checkbox"/> Partially Achieved <input type="checkbox"/> Limited Action	
<b>1. Continue to improve procedures For example; increasing the amount of information being held on i-Plan Both of new live information and historic data., so that more information is held electronically and is more accessible, otherwise bring forward initiatives to reduce the costs of dealing with queries, by providing more information on the website, rather than via individual letters, or individual meetings, and by doing things right first time.</b>	Confirm a programme of areas where information, primarily held in hard versions, can be scanned into i-Plan.	Directorate Business Manager	Dec 2011	Within existing resources	<input checked="" type="checkbox"/>	
	Make more information available by improving the content of the sections of the website concerning Planning.	Directorate Business Manager	Dec 2011	Within existing resources	<input checked="" type="checkbox"/>	
	Particular project is working with the local Council's to further improve i-Plan and once completed to gradually remove duplicate manual systems.	Directorate Business Manager	Dec 2011	Within existing resources	<input checked="" type="checkbox"/>
