CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 No construction works above ground level shall have taken place until documentary and photographic details of the types and colours of the external finishes have been submitted to and approved by the Local Planning Authority, in writing, prior to the commencement of the development. The development shall be implemented in accordance with such approved details.
- 3 Prior to first occupation of the building hereby approved the proposed window openings in the side elevations shall be fitted with obscured glass and have fixed frames to a height of 1.7 metres above the floor of the room in which the window is installed, and shall be permanently retained in that condition.
- 4 No development shall take place, including site clearance or other preparatory work, until full details of both hard and soft landscape works (including tree planting) and implementation programme (linked to the development schedule) have been submitted to and approved in writing by the Local Planning Authority. These works shall be carried out as approved. The hard landscaping details shall include, as appropriate, and in addition to details of existing features to be retained: proposed finished levels or contours; means of enclosure; car parking layouts; other minor artefacts and structures, including signs and lighting and functional services above and below ground. The details of soft landscape works shall include plans for planting or establishment by any means and full written specifications and schedules of plants, including species, plant sizes and proposed numbers /densities where appropriate. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any replacement is removed, uprooted or destroyed or dies or becomes seriously damaged or defective another tree or shrub, or plant of the same species and size

as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 5 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no extensions generally permitted by virtue of Part 1, Class A shall be undertaken without the prior written permission of the Local Planning Authority.
- 6 No development shall take place until details of levels have been submitted to and approved by the Local Planning Authority showing cross-sections and elevations of the levels of the site prior to development and the proposed levels of all ground floor slabs of buildings, roadways and accessways and landscaped areas. The development shall be carried out in accordance with those approved details.
- 7 All material excavated from the below ground works hereby approved shall be removed from the site unless otherwise agreed in writing by the Local Planning Authority.
- 8 All construction/demolition works and ancillary operations (which includes deliveries and other commercial vehicles to and from the site) which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
- 9 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works, including demolition, shall be installed prior to the commencement of any works and shall be used to clean vehicles leaving the site.
- 10 Notwithstanding the provision of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no windows other than any shown on the approved plan shall be formed at any time in the flank walls of the development hereby permitted without the prior written approval of the Local Planning Authority.
- 11 The development hereby permitted will be completed strictly in accordance with the approved drawings nos: 01/03, 02/03, 03/03 received amended on 15/05/08.
12. No development shall take place, including any works of demolition, until a Construction Method Statement has been submitted to, and approved in writing by, the Local Planning Authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:
 1. The parking of vehicles of site operatives and visitors within the site.
 2. Loading and unloading of plant and materials.
 3. Storage of plant and materials used in constructing the development within the site.
 4. The erection and maintenance of security hoarding including decorative displays and facilities for public viewing, where appropriate.
 5. Measures to control the emission of dust and dirt during construction.
 6. A scheme for recycling/disposing of waste resulting from demolition and construction works.

13. Within 3 calendar months of the completion of the development hereby approved, any highway verges adjacent to the site which have been damaged as a result of construction of the development, shall be restored to an acceptable condition.

Report Item No: 4

APPLICATION No:	EPF/1061/11
SITE ADDRESS:	The Coach House Gravel Lane Chigwell Essex
PARISH:	Chigwell
WARD:	Chigwell Village
DESCRIPTION OF PROPOSAL:	Conversion of existing Coach House into dwelling and extending stable buildings with store and garage, and change of use of stables into storage rooms. Demolition of existing concrete framed buildings.
DECISION:	Refuse Permission

http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=528316

REASON FOR REFUSAL

- 1 The Council is not satisfied that works undertaken to The Coach House within the last ten years were not completed with a view to securing a residential use, as it does not appear that the 2002 consent for use as a tack room was ever implemented. The proposed development is therefore contrary to policy GB8A(iv). As a result, the proposed development would be inappropriate development within the Metropolitan Green Belt, as defined in policy GB2A of the Adopted Local Plan and Alterations. The applicant has failed to demonstrate a case for very special circumstances to outweigh this harm to the Green Belt.

CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 The development hereby permitted will be completed strictly in accordance with the approved drawings nos: 01 to 04 revision D and 05 to 08 revision E. Supporting Design and Access statement.
- 3 No construction works above ground level shall have taken place until documentary and photographic details of the types and colours of the external finishes have been submitted to and approved by the Local Planning Authority, in writing, prior to the commencement of the development. The development shall be implemented in accordance with such approved details.
- 4 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 1, Class A and B shall be undertaken without the prior written permission of the Local Planning Authority.
- 5 No development, including works of demolition or site clearance, shall take place until a Tree Protection Plan and Arboricultural Method Statement in accordance with BS:5837:2005 (Trees in relation to construction) has been submitted to the Local Planning Authority and approved in writing. The development shall be carried out only in accordance with the approved Tree Protection Plan and Arboricultural Method Statement unless the Local Planning Authority gives its written consent to any variation.
- 6 No development, including site clearance, shall take place until a scheme of soft landscaping and a statement of the methods, including a timetable, for its Implementation (linked to the development schedule), have been submitted to the Local Planning Authority and approved in writing. The landscape scheme shall be

carried out in accordance with the approved details and the agreed timetable. If any plant dies, becomes diseased or fails to thrive within a period of 5 years from the date of planting, or is removed, uprooted or destroyed, it must be replaced by another plant of the same kind and size and at the same place, unless the Local Planning Authority agrees to a variation beforehand in writing.

- 7 No development shall take place until details of levels have been submitted to and approved by the Local Planning Authority showing cross-sections and elevations of the levels of the site prior to development and the proposed levels of all ground floor slabs of buildings, roadways and accessways and landscaped areas. The development shall be carried out in accordance with those approved details.
- 8 No development shall take place until details of a satisfactory ground gas investigation and risk assessment has been carried out and submitted to the Local Planning Authority for approval in order to determine what if any ground gas remediation measures may be required or shall specify appropriate ground gas mitigation measures to be installed in the building(s) in lieu of any ground gas investigation.

The investigations, risk assessment and remediation methods, including remedial mitigation measures to be installed in lieu of investigation, shall be carried out or assessed in accordance with the guidance contained in BS 9485:2007 "Code of practice for the Characterisation and Remediation from Ground Gas in Affected Developments." Should the ground gas mitigation measures be installed, it is the responsibility of the developer to ensure that any mitigation measures are suitably maintained or to pass on this responsibility should ownership or responsibility for the buildings be transferred.

Report Item No: 8

APPLICATION No:	EPF/1264/11
SITE ADDRESS:	23 Tomswood Road Chigwell Essex IG7 5QP
PARISH:	Chigwell
WARD:	Grange Hill
DESCRIPTION OF PROPOSAL:	Demolish existing bungalow and erection of a two storey dwelling with loft, and erection of front boundary wall and gates. (Amendment to application EPF/0428/11.)
DECISION:	Refuse Permission

Click on the link below to view related plans and documents for this case:

http://planpub.eppingforestdc.gov.uk/AniteIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=529045

REASON FOR REFUSAL

- 1 By reason of its close proximity to adjoining boundaries and its excessive size and scale the proposed development would appear disproportionately large on the site and in relation to 21 and 25 Tomswood Road. As such it would be harmful to the character and appearance of the locality and the surrounding area contrary to policies CP2 and DBE1 of the Adopted Local Plan and Alterations.
- 2 By reason of its poor design the proposed first floor rear projection would appear as a box attached to the rear façade of the building. As a result the rear projection would form a poor relationship with the rear facade of the building and the rear dormer window in that it would appear disjointed and unbalanced. As such, it would be contrary to policies CP2 and DBE1 of the Adopted Local Plan and Alterations.
- 3 The proposed development, by reason of its excessive size, scale and its siting in close proximity to both adjoining bungalows, would result in an intrusive and unneighbourly development that would appear overbearing. It would consequently be harmful to the amenities of the occupiers of 21 and 25 Tomswood Road, contrary to Policies DBE2 and DBE9 of the Adopted Local Plan and Alterations.
- 4 By way of its poor design, in particular its size, scale and excessive use of brickwork, the proposed front boundary wall and gates would appear as a visually intrusive and over-dominant feature that would be harmful to the character and appearance of the locality contrary to policies CP2 and DBE1 of the adopted Local Plan and Alterations.
