Dear Mrs Freaney

**Licensing Act 2003  
The Duke of Wellington, 36 High Street, Epping**

On behalf of the Council's Environment & Street Scene Directorate, I confirm receipt of a copy of your application dated 22 November 2011 that I received on 23 November 2011, regarding the above mentioned property, in relation to the licensing objective the Prevention of Public nuisance.

Firstly, I note the application describes an extension of the opening hours by 30 minutes to 01:00. This is not factually correct. The five licensable activities you have requested an extension to, at present vary in time by activity and day of the week. Thus the overall effect of standardising all licensable activities listed, Monday to Sunday, including bank holidays to 01:00, will mean an extension to some activities by 1 hour and 30 minutes.

I have made the following representation to the Council's Licensing Section with regard to the Licensing objective – Prevention of Public nuisance:

Taking into account previous noise complaints from noise sensitive properties our primary concern is the use of the rear garden.

A further concern is that the extended hours of licensable activities will encourage patrons to remain on the property later, including smoking and drinking out the front of the establishment, at a time when background noise will be low.

If the licensable activities are extended as proposed, I feel it will be very difficult to control the associated people noise which is inherent to the use of the pub.

If you would like to discuss the matter or have any written comments, please do not hesitate to contact me.

Please confirm your comments in writing (by letter or email). I will inform the Council's Licensing Section if satisfied that the representations can be withdrawn.

Yours sincerely

Dear Ms Freaney

**Application to vary licence under the 2003 licensing Act  
Duke of Wellington public house, 36 High Street Epping.**

I refer to your current application to extend the current hours for serving alcohol, together with related activities including live music, to 1 am each day of the week.

Planning services are concerned about the outside rear area being used late at night which would be likely to cause a noise nuisance to nearby residents. We therefore object to this application. However, we would withdraw this objection if you will agree to a condition being imposed on any revised licence that requires the outside area to the rear to be closed to customers after 11.30pm.

Please contact David Baker on 01992 564514 should you have any queries on the above.

Yours faithfully,

  
  
Planning Officer
