CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 The development hereby permitted will be completed strictly in accordance with the approved drawing no: BF/6111.001 received 15th December 2011
- 3 No construction works above ground level shall have taken place until documentary and photographic details of the types and colours of the external finishes have been submitted to and approved by the Local Planning Authority, in writing, prior to the commencement of the development. The development shall be implemented in accordance with such approved details.
- 4 No development shall take place until the hedge on the western boundary of the site and the trees shown on the approved plan No BF/6111.001 (received 15th December 2011) as being retained (and any trees whose canopies overhang the site) have been protected by strong fencing, the location and type to be previously

approved in writing by the local planning authority. The fencing shall be erected in accordance with the approved details before any equipment, machinery or materials are brought onto the site for the purposes of the development, and shall be maintained until all equipment, machinery and surplus material have been removed from the site. Nothing shall be stored or placed within any fenced area, and the ground levels within those areas shall not be altered, nor shall any excavation be made without the prior written consent of the local planning authority.

Reason: To ensure that the amenity value of the existing trees are safeguarded.

- 5 Prior to commencement of the development details showing the means to prevent the discharge of surface water from the development onto the highway shall be submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be carried out in its entirety prior to the access becoming operational and shall be retained at all times.
- 6 No development shall take place until a Construction Method Statement has been submitted to, and approved in writing by, the local planning authority. The approved Statement shall be adhered to throughout the construction period. The Statement shall provide for:
 - a) the parking of vehicles of site operatives and visitors
 - b) loading and unloading of plant and materials
 - c) storage of plant and materials used in constructing the development
 - d) wheel cleaning facilities
 - e) measures to control the emission of dust and dirt during construction
 - f) a scheme for recycling/disposing of waste resulting from site preparation and construction works
- 7 Prior to first occupation of the development hereby approved, the proposed window openings in the first floor flank elevations shall be entirely fitted with obscured glass and have fixed frames to a height of 1.7 metres above the floor of the room in which the window is installed and shall be permanently retained in that condition.
- 8 The garages and car parking spaces hereby permitted shall be provided before the occupation of the dwelling hereby permitted and shall be kept available for the parking of motor vehicles at all times. The garage/car spaces shall be used solely for the benefit of the occupants of the dwelling of which forms part and their visitors and for no other purpose and shall be permanently retained as such.
- 9 No unbound material shall be used in the surface treatment of the vehicular access within 6 metres of the highway boundary.
- 10 All construction/demolition works and ancillary operations, including vehicle movement on site which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 08.00 to 17.30 Monday to Friday and 09.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
