http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=533496

REASONS FOR REFUSAL:

1. The proposed dwelling, by reason of its scale, inappropriate design and use of materials, would fail to harmonise with existing dwellings within the cul-de-sac, resulting in an adverse impact upon the street scene, contrary to policies CP2, DBE1 and DBE3 of the Adopted Local Plan and Alterations.

Report Item No: 12

APPLICATION No:	EPF/2526/11
SITE ADDRESS:	West Hatch High School High Road Chigwell Essex IG7 5BT
PARISH:	Chigwell
WARD:	Chigwell Village
DESCRIPTION OF PROPOSAL:	Outline application for the demolition of an existing sports pavilion and a caretakers house and the construction of a new residential development, consisting of a new caretakers flat and seven other flats in a new residential building and the construction of a new sports hall building.
DECISION:	Refuse Permission

Click on the link below to view related plans and documents for this case:

http://planpub.eppingforestdc.gov.uk/AniteIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=533557

REASON FOR REFUSAL:

1. The site lies within the Metropolitan Green Belt where there is a presumption against inappropriate development except in very special circumstances. The proposal for the residential development is inappropriate development. Whilst the applicant has advanced a case of very special circumstances in order to allow funding for the sports hall, this does not amount to very exceptional circumstances in this case such that it would be sufficient to outweigh the normal presumption against inappropriate development. The proposals are therefore contrary to the advice contained in Planning Policy Guidance Note 2 and would conflict with policy GB2A of the Adopted Local Plan and Alterations.
2. The location and siting of the proposed residential block together with associated car park areas, makes inadequate provision for the retention of trees and inadequate provision for landscaping, contrary to Policies LL10 and LL11 of the Adopted Local Plan and Alterations.
3. The plan layout and design of the new residential block will introduce a visually prominent building that, due to its overall height, mass, siting and layout, will result in a very large and conspicuous building within the Green Belt that will harm the openness and rural character, contrary to policies DBE4, CP2 and GB7A of the Adopted Local Plan and Alterations.
4. The applicant has not provided any supporting information to allow a proper examination of established habitats/ wildlife and whether there are any protected species at this site. Due to the lack of information, the proposal fails to comply with policy NC4 of the Adopted Local Plan and Alterations.
