APPLICATION No:	EPF/2601/11
SITE ADDRESS:	Land adjoining Rest Harrow The Kennels Millers Lane Chigwell Essex IG7 6DG
PARISH:	Chigwell
WARD:	Chigwell Row
DESCRIPTION OF PROPOSAL:	Demolish existing kennels and build a new two bedroom house. Change of use of land to residential.

http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=533933

REASON FOR REFUSAL

- 1 The site lies within the Metropolitan Green Belt where there is a presumption against inappropriate development except in very special circumstances. Adopted Local Plan policy GB2A clearly defines what can be classed as appropriate development and this proposal does not fall within any of the deemed acceptable uses within the Green Belt. Whilst the applicant has advanced a case of very special circumstances, no such exceptional circumstances are apparent in this case that would be sufficient to outweigh the normal presumption against inappropriate development. In addition, any new development must safeguard the character of the countryside. The proposal to change the entire use of land into residential curtilage will further encroach upon the land, and is therefore clearly not appropriate, neither does it safeguard the character of the countryside. The proposals are therefore contrary to the advice contained in Planning Policy Guidance Note 2 and would conflict with Policy GB2A of the Adopted Local Plan and Alterations.
- 2 The Council's policies seek to protect employment sites from redevelopment or change of use to other land uses. No supporting evidence has been provided to clearly demonstrate the site has been actively marketed for a reasonable period for the present use or for a satisfactory alternative community need. As such this fails to comply with policies E4A and E4B of the Adopted Local Plan and Alterations.
- 3 The site is situated in a rural and unsustainable location, isolated from public transport or local facilities, therefore encouraging dependence on private car use which is contrary to the aims and objectives of policies CP1, CP2, CP3, and ST1 of the Adopted Local Plan and Alterations.

- 4 The proposal will result in a new building that is larger and bulkier than the present built form on site. This will further encroach into the Green Belt, and result in a conspicuous building that will harm its openness and rural character. This therefore fails to accord with policies DBE4, CP2 and GB7A of the Adopted Local Plan and Alterations.
