Q Please describe any additional steps that you intend to take in order to promote the four licensing objectives if the proposed variation is granted:

a) General – all four licensing objectives (b, c, d, e) (please read guidance note 15)

- We have carefully considered the risks and benefits associated with the extra hours and other variations applied for and do not believe that any additional measures are necessary to promote the licensing objectives
- We will continue to train our staff to the standards required by relevant legislation
- The style and operation will not differ significantly during the extended hours. The additional hours sought will of themselves promote the licensing objectives as stated in paragraph 3.29 e.g. the Guidance, in allowing customers to emerge from the premises at a more gradual rate
- We will continue to observe all conditions on existing licences for the additional hours of trading

b) The prevention of crime and disorder

- Encourage customers to leave quietly
- The current level of lighting outside the premises will continue for the additional hours of trading
- The existing CCTV system will continue to operate during the additional hours of trading
- We have internal and external CCTV cameras
- We have door supervisors
- Door supervisors have radio pagers on EMR frequency
- Any person who appears to be intoxicated will not be allowed entry to the premises
- The pub has taken a proactive approach to promotions and pricing and does not promote any initiatives that encourage excessive drinking
- Staff are trained on drug awareness, under age drinking and other issues regarding crime and disorder on induction and at regular staff meetings
- The premises have a queue management policy in place
- The premises will participate in the local pub watch or equivalent scheme
- Liaise regularly with the police
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective

c) Public safety

- We have carried out a risk assessment
- Our capacity figure is 150 and was calculated by the fire officer
- We have a fire certificate
- We have a maintained emergency lighting system
- We have an effective fire evacuation procedure
- Staff are fully trained on all safety issues
- Weekly due diligence checks are carried out on health & safety, fire risk assessments and alarm tests
- Daily due diligence checks are carried out on food safety
- Escape routes are monitored and maintained
- Fire action notices are displayed
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective

d) The prevention of public nuisance

- PA announcements are made to encourage customers to leave quietly
- The current level of lighting outside the premises will continue for the additional hours of trading
- The existing CCTV system will continue to operate during the additional hours of trading
- Kitchen extract and pub ventilation systems regularly cleaned and maintained
- Waste bins are emptied regularly
- Regular checks are made on the perimeter of the pub
- Refuse collections are made 3 days per week
- Customers are asked to wait inside for taxis
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective

e) The protection of children from harm

- We admit children under the age of 18
- We require proof of age in appropriate cases
- The pub operates the Portman "prove it" scheme
- Children are welcome provided they are supervised at all times and do not approach the bar area
- We take our obligations under existing legislation seriously. However the nature and the operation will not alter significantly during the additional hours and no further measures are considered necessary to promote this licensing objective
