In reaching their decision, Members made it clear they did not consider it appropriate to pursue a proposal to develop the application site in outline form.

Reasons for Refusal

- 1 By reason of the limited size of the application site and its relationship to neighbouring dwellinghouses and their gardens the proposed development is likely to fail to respect the character and appearance of the locality and is likely to cause excessive harm to the amenities of neighbouring properties. Accordingly, the proposal is contrary to Local Plan and Alteration policies CP2 (iv), CP7 and DBE9 which are consistent with the policies of the National Planning Policy Framework.

Report Item No: 2

APPLICATION No:	EPF/0392/12
SITE ADDRESS:	Willow Park Farm Millers Lane Chigwell Essex IG7 6DG
PARISH:	Chigwell
WARD:	Chigwell Row
DESCRIPTION OF PROPOSAL:	Continuation of use of buildings A, B, C, E, F & G and land within the application site for the purposes of storage with ancillary office (Use Class B8).
DECISION:	Refused Permission

http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=535484

Reasons for Refusal

- 1 By reason of the size of the application site and the buildings within it the proposed use for the primary purpose of storage (Use Class B8) would potentially generate significant activity and vehicular traffic movements including those of goods vehicles. As a consequence the proposal would have a materially greater impact on the character and amenities of the Green Belt than the lawful use of the site for agriculture. Since it is not possible to overcome these objections by planning conditions or a planning obligation the proposal is contrary to policies GB8A and ST4(iv) of the Local Plan and Alterations, which are consistent with the policies of the National Planning Policy Framework.

APPLICATION No:	EPF/0334/12
SITE ADDRESS:	Willow Park Farm Millers Lane Chigwell Essex IG7 6DG

http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=535223

Reasons for Refusal

- 1 By reason of its height, bulk and siting the proposed replacement house would have a greater impact on the openness of the Green Belt than the existing house and its adjacent outbuildings. It is therefore inappropriate development within the Green Belt and no very special circumstances that outweigh the harm that would be caused by the proposal exist. Accordingly, the proposed development is contrary to Local Plan and Alterations policies GB2A, GB7A and GB15A, which are consistent with the policies of the National Planning Policy Framework.
- 2 By reason of its scale, detailed design and siting the proposed replacement house fails to respect its setting and the local character. Accordingly, the proposed development is contrary to Local Plan and Alterations policies DBE1 and DBE4, which are consistent with the policies of the National Planning Policy Framework.
