| | | | | | |
| | | | | | |

Explanatory Note:

- This table is intended to provide a common format for:
 - a formal record of the outcomes of each scrutiny panel and the committee;
 - a means of recording follow up action required by the Scrutiny Committee and therefore complete the monitoring loop;
 - a way of keeping all members (and officers) informed of scrutiny activity in a succinct way.

- Rather than following the committee cycle this schedule is compiled and issued monthly.
