

**Views expressed by Members in response to the Bulletin Item**

I would like you to note my strong support for the existing geographical groupings for the plans committees – Councillor Spencer

I am writing to you to express my strong support for the sub committees remaining as local. Local residents value the fact that the committee responsible for deciding planning applications affecting their area is made up of local councillors who are likely to have first hand knowledge of the sites subject to planning applications.  
Councillor B Goold
