More Woodford woes at home

RUGBY UNION

Woodford's difficult season continued after they were beaten 52-17 at home by North Walsham in London One North on Saturday.

The loss leaves Woodford four points adrift at the bottom of the table and still without a win at home all season.

North Walsham were in control of this match from the outset, running in eight tries, for a bonus-point victory.

The hosts, featuring former Vikings three-quarter John Dwight, were by no means blown away and contributed to an entertaining contest with a try in each half.

Walsham full-back James Knight touched down first, with right wing Will Quinn crossing the line next with both tries converted from out wide.

Woodford's Peter Hyett struck a penalty from 27 metres, before Knight got his second try, this time unconverted.

To celebrate his 100th first-team appearance, Walsham's Shane van Vuuren was next on the score-board, beating his man out on the left and coming in to score between the posts.

With half-time approaching, the visitors' play became a little too

Outnumbered: Chingford proved too strong for Luton on Saturday as they claimed a 17-13 win. (e)37612-1)

Colchester on Saturday. Second-placed Eton Manor ground out a vital 11-8 win over league leaders Westcliff to close the gap at the top to just five points.

Manor will be hoping to put further pressure on Westcliff with a win at home to lowly Old Haberdashers on Saturday. Chingford edged past Luton 17-13 at home to go third in London One North.

Three points ahead of fourth-placed Colchester. Chingford are

Good Afternoon Joanne,

Further to our telephone conversation earlier, in relation to the above premises, I feel that Part P of the application needs more structure and conditions to show how the premises will promote the Licensing Objectives. I had intended to make contact with the applicant next week to discuss my concerns, and proposals, but as you are meeting with him today, perhaps you can discuss with him.

As it stands; I will be objecting to this application. If however the applicant agrees to the following conditions, I will not.

1. Alcohol will only be sold with a substantial meal to collection and delivery orders above a specified amount set by the management.
2. Alcohol will be stored securely, and customers shall not have access to where the alcohol is stored.
3. The premises will operate a Challenge 25 policy ensuring customers who appear to be under the age of 25 will be asked for photographic identification before the alcohol is handed to the customer. Acceptable forms of ID are:
 - i. Passport;
 - ii. Driving Licence;
 - iii. Military ID;
 - iv. Accredited proof of age card bearing the 'PASS' hologram.

Please let me know the result of your meeting, and advise if I still need to meet with him in relation to objecting.

Many Thanks

Dear Mr Rahman,

RE: Licensing Act 2003: Shikha Takeaway, 164 Queens Road, Buckhurst Hill, IG9 5BD

The licensing application received on 22nd November 2013 for the above premises has been assessed and we require more information.

Could you please advise as to whether you intend to allow children under 18 to collect takeaway food whereby complimentary alcohol is part of the take away order? For example; under 18's may say they are collecting orders on behalf of parents. What procedures would you employ to check? Could you also advise similarly on what your procedure would be upon delivery of takeaway food with complimentary alcohol be if a person who appears under 18 answers the door to receive the order?

I should appreciate clarification of this particular potential situations and what your response would be?

Please respond in writing our email address; LicenceApplications@essex.gov.uk as soon as possible.

If you require any further information please do not hesitate to contact Paula Stacey on 01245 436744.

Yours sincerely

Hi there

As long as the Challenge 25 is agreed, and they understand how to operate this I have no issue. Essentially anyone who looks over 18 but is under 25 will have to produce ID, they will have to promote that they operate this in their literature.

With thanks

Paula

Dear Sirs

RE: Shikha Take Away Queens Road Buckhurst Hill IG9

Shikha trade as an Indian take away outlet. The food sold is effectively packaged for home consumption by their customers and therefore there is little fallout for residents from their activities and its presence has relatively little impact in the street.

However, given their late opening hours, particularly at weekends, we would be concerned about the off sale of alcohol from their premises. By definition it would start to attract a different customer base looking solely to purchase alcohol late at night. Unfortunately this trade has a record of attracting public nuisance and crime.

Queens Road is 90% residential and there is the risk we would undermine public safety and change the relatively peaceful character of the street. In light of this we would not support this application.

In general, the retailers in the street are good neighbours and add to the character of the area but in most cases they are closed in the evenings. We hope the council will take residents concerns into account when reviewing this matter. Thank you.

Yours faithfully

Hi there,

I have received your letter and I would like to object to this application, on the grounds of public nuisance, crime and disorder and public safety with people hanging around, as it is we have several licenced premises within this vicinity ranging from post office to supermarket, wine bar and several restaurants and always after closing times it always seems to stop outside our house where property gets vandalised by drunks and noise.

Dear Sirs,

Re: Application by Shika 164 Queens Road, Buckhurst Hill for the supply of Alcohol off Premises

We are most disturbed by the above application and additionally the precedent it may set for the other takeaway premises in Queens Road. We wish to object on the grounds of –

The prevention of public nuisance and
The prevention of crime and disorder

Selling alcohol with takeaway food until 2300 hours every day could well result in people walking down the street whilst eating and drinking. This would cause a public nuisance with consequent noise and disruption to residents in addition to litter.

The ability to obtain alcohol may well result in attracting customers more in search of alcohol than food late at night and this change in clientele would be undesirable possibly resulting in crime and disorder.

Yours faithfully,

Susan and Roy Carter

Dear Sir

Sub: SAKKA TAKE AWAY,
164 QUEENS RD, B/HILL E882P,
1095AZ

Thank you of your letter dt-14th Nov. 2013, I
am deeply concern about the licensing
application of the above reference business.
I would like to point out my concern and
effect regarding the licence.

1. The crime trade will be up as because
the most of the customer of the above organisation
are under age customer, they order the food,
drink over telephone and get delivery at
home without any restriction from any authority.
So eventually the young under age will be
encourage to order over telephone and
gradually they will be addicted by drinking
alcohol and social disorder will be
started by the under age customer, will
be involve with crime. Please not that
the above mention business offering alcohol
nearly three years, they already damaged
lot in the society.
2. There will be question of public
safety - because of under age will come
out of home as a drunk and will
public life unsafe.

P.T.O

3. through these business it will create a drunk society which will eventually destroy the thought feature of the generation and will guide them in the destructive way.

So as a business man I would like to complain against the license application which will be appropriate in this situation

Thank you
yours sincerely
