<b>APPLICATION No:</b>	EPF/1500/13
<b>SITE ADDRESS:</b>	95 High Road Loughton Essex IG10 4JD
<b>PARISH:</b>	Loughton
<b>WARD:</b>	Loughton Forest
<b>DESCRIPTION OF PROPOSAL:</b>	Proposed double storey rear extension and loft conversion.
<b>DECISION:</b>	Refuse Permission

**Click on the link below to view related plans and documents for this case:**

[http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH\\_TYPE=1&DOC\\_CLASS\\_CODE=PL&FOLDER1\\_REF=551790](http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=551790)

Members were very concerned about the bulk of the proposal and its relationship to 93 High Road, finding it would have a harmful consequence for the character and appearance of the locality since it would be clearly visible from the High Road despite being set back rear of the front elevation of the house. A way forward would be to reduce the width of the proposal such that it did not project nearer to 93 High Road than the existing upper floor flank elevation of the house and improve the articulation of the rear elevation.

**REASON FOR REFUSAL**

By reason of its bulk, height and siting, the proposed side extension would appear cramped within the site adjacent to the boundary with 93 and consequently would also result in a terracing effect in which the house at 93 High Road would appear to run into the pair of semi-detached houses that include the application site. The proposal as a whole would therefore fail to complement the appearance of the existing and neighbouring houses and cause harm the character and appearance of the locality to the detriment of its visual amenities. Accordingly, the proposal is contrary to policies CP2 and DBE10 of the adopted Local Plan and Alterations, which are consistent with the policies of the National Planning Policy Framework.

<b>WARD:</b>	Chigwell Row
<b>DESCRIPTION OF PROPOSAL:</b>	Demolition of buildings at adjacent former farmyard and at application site (units A, C, E, G, H and I) and erection of new detached residential dwelling, ancillary garage building, ancillary hardsurfacing and driveway, establishment of residential curtilage, formation of new vehicular access onto Millers Lane and closure of existing field access.
<b>DECISION:</b>	Refuse Permission

[http://planpub.eppingforestdc.gov.uk/AniteIM.websearch/ExternalEntryPoint.aspx?SEARCH\\_TYPE=1&DOC\\_CLASS\\_CODE=PL&FOLDER1\\_REF=553912](http://planpub.eppingforestdc.gov.uk/AniteIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=553912)

Members found no justification for the proposal on the restricted application site but were of the view that there may be a case for development that replaced all the former farm buildings on adjacent land if the proposed house were sited in the former farmyard. The scale of any such proposal would require careful examination however.

**REASON FOR REFUSAL**

The proposed new dwellinghouse and ancillary garage building are inappropriate development in the Green Belt that would be harmful to its openness and to the open character of the site and locality. The harm caused would be exacerbated by proposed ancillary hard surfacing, driveway and vehicular access. The proposed demolition of buildings on the site and on adjoining land in the applicant's ownership would not outweigh the harm caused by the proposed new development. No other material considerations that outweigh the harm that would be caused exist therefore no very special circumstances in favour of the development can be demonstrated. Accordingly, the proposed development is contrary to the policies of the National Planning Policy Framework and contrary to Local Plan and Alterations Policies GB2A, GB7A and LL2, which are consistent with the policies of the Framework.

**REASON FOR REFUSAL**

- 1 The proposed development has an adverse impact on the visual amenities and outlook of Nos 2, 14 and 16 Ollards Grove by reason of its location and design, contrary to policies DBE1 , DBE 2 and CP2 of the adopted Local Plan and Alterations.

**WAY FORWARD**

Members took the view that, as a way forward, a very significant reduction in the height of the proposal should be considered since that would probably overcome their objections. However, any revised proposal would require careful consideration.

Members found it unlikely they could support any proposal for a rear extension that went beyond one that would be permitted development.

**REASON FOR REFUSAL**

- 1 By reason of the extent the extension would project adjacent to the site boundaries, the proposal would be likely to appear excessively overbearing when seen from No. 4 Chigwell Park and no 197 High Road, Chigwell to the detriment of the outlook from those properties. The impact on 4 Chigwell Park would be particularly severe due to the cumulative impact of the proposal and the distance the existing rear wall of 2 Chigwell Park is set rear of that of no. 4 Chigwell Park. Accordingly the proposal is contrary to policy DBE9 of the Local Plan and Alterations, which is consistent with the National Planning Policy Framework.
