Report Item No: 8

APPLICATION No:	EPF/2188/13
SITE ADDRESS:	The Paddock Grove Lane Chigwell Essex IG7 6JF
PARISH:	Chigwell
WARD:	
DESCRIPTION OF PROPOSAL:	Demolition of existing stables and warehouse and erection of 6 detached residential dwellings and new access.
DECISION:	Refused Permission

REASON FOR REFUSAL

- 1 The site lies within the Metropolitan Green Belt. The proposed development is inappropriate in the Green Belt and, by definition, harmful. It fails to protect the openness of the Green Belt and encroaches into the countryside to a significantly greater degree than existing structures on site. The details accompanying the application do not amount to very special circumstances sufficient to outweigh the harm to the Green Belt that would result from the development. The proposal is therefore contrary to policy GB2A and GB7A of the Adopted Local Plan and Alterations and the aims and objectives of the NPPF.

- 2 The proposed development would be detrimental to the visual amenities of the surrounding area and harmful to the character and appearance of this semi-rural location, contrary to policies DBE1, DBE2 and DBE4 of the Adopted Local Plan and Alterations and the aims and objectives of the NPPF.

- 3 The proposed sub-urban development proposed is at a scale at odds with the surrounding context and would harm the rural setting of Millers Farmhouse a Grade II Listed Building by diminishing its significance. Furthermore the materials palette proposed is wholly inappropriate and would detract from the appearance of Miller Farmhouse. Accordingly, the proposal is contrary to policy HC12 of the Adopted Local Plan and Alterations and the aims and objectives of the NPPF.
