Please find below the comments from Lambourne Parish Council regarding recent licence applications

TWK/201411708 The White House, Market Place, RM4 1UA: The sale of alcohol from 0600hrs-2330hrs
Vote: Object. This would increase anti social behaviour and cause disruption to neighbouring properties. There are existing problems of youths drinking on the Pancroft Green and the Abridge Village Hall ground and this would exacerbate the problems.

Kind regards
