http://planpub.eppingforestdc.gov.uk/AniTelM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=562513

REASON FOR REFUSAL

- 1 By reason of its depth the extension fails to leave adequate space for refuse storage required for the lawful use of the shop premises for purposes within Use Class A3 and consequently amounts to an overdevelopment of the site. Furthermore, by reason of its internal arrangement placing a toilet at its northern end, together with its proximity to the site boundary with 2 and 2A Kings Avenue, the extension would cause harm to the living conditions of those dwellings since the use of the toilet would give rise to unpleasant odours. As a consequence the extension is an unsustainable development is contrary to Local Plan and Alterations policies CP7 and DBE9(iv), which are consistent with the National Planning Policy Framework.
