Good Afternoon all,

Further to the below correspondence, and The acceptance to all proposed conditions except point 5 - Essex Police withdraw their objection, subject to them being inserted on the Premises Licence.

The justification behind non acceptance to point 5 is accepted, and would place unreasonable restrictions upon the premises.

Kind Regards,.

Hi Peter, hi Sarah,

Thank you for your email.

We accept all points raised by the police. With regards to point number 5, this isn't practical due to individual residential properties bordering our site on most sides. Loudspeakers will not be placed directly next to properties and any properties to which music is directed will be at least 300m away from the stage. Music/sound output will be monitored. We would therefore ask for this point to be removed.

Look forward to hearing from you again.

Kind regards,

Claire
