

Report to Area Plans Sub-Committee B

Report reference: PLN/002/2006-07.

Date of meeting: 15 November 2006.

**Epping Forest
District Council**

Subject: Probity in Planning – Appeal Decisions, April 2006 to September 2006.

Officer contact for further information: Barry Land (01992 – 56 4110).

Democratic Services Officer: Gary Woodhall (01992 – 56 4470).

Recommendation:

That the Planning Appeal Decisions for the period April 2006 to September 2006 be noted.

Background:

1. In compliance with the recommendation of the District Auditor, this report advises the decision-making committees of the results of all successful appeals, particularly those refused by committee contrary to officer recommendation. The purpose is to inform the committee of the consequences of their decisions in this respect and, in cases where the refusal is found to be unsupportable on planning grounds, an award of costs may be made against the Council.

2. To set the context, a Best Value Performance Indicator was for district councils to aim to have less than 40% of their decisions overturned on appeal with the national average of about 33%. That BVPI was scrapped but recently replaced by one which records planning appeals only (not advertisement, listed buildings, enforcements or tree related appeals) and where the Council sets its own target – set this year at 24%. In fact in recent years the Council has been more successful than the national average with only 25% lost in 2000/01, 24% in 2001/02, 27% in 2002/03, 18% in 2003/04, 29% in 2004/05 and 22% in 2005/06.

Performance:

3. Over the six-month period between April and September 2006, the Council received 59 decisions on appeals – 54 planning and related appeals and 5 enforcement appeals. Of the 54 planning and related appeals, 13 were allowed (or part-allowed contrary to the Council's case) (24%) and none of the 5 enforcement appeals – a combined total of 22% of the Council's decisions being overturned.

4. For the BVPI, which only considers appeals against the refusal of planning permission (and regards all 'part-allowed' appeals as decisions against the Council even though the result may have been entirely in line with the Council's case), the performance figure is 26%.

Planning Appeals:

5. Of those 13 appeals allowed, 5 were allowed following decisions by committee to refuse contrary to officer's recommendation. Those 5 were:

- EPF/1050/05 – 46 & 48, Albert Road, Buckhurst Hill – two x three storey blocks for 11 flats (Area Plans A 02/11/05);
- TRE/EPF/880/05 – Former Beaver Eng. Site, Manor Road, Chigwell – felling two trees (Area Plans A 07/09/05);
- EPF/181/05 – Land r/o Diggens Court, High Road, Loughton – three storey

- block of 12 flats (Area Plans A 07/09/05);
- EPF/1781/05 – Land r/o Diggins Court, High Road, Loughton – three & four storey block of 13 flats (Area Plans A 04/01/06); and
- EPF/978/05 – 3 Upper Park, Loughton – extensions and conversion to 4 flats (Area Plans A 10/08/05).

6. To complete the picture, officers were successful in sustaining a committee decision to refuse, when officers had recommended granting permission, in 2 cases:

- EPF/1777/04 – Land at 5 Coopersale Common, Coopersale – erection of a pair of semi-detached houses (Area Plans B 09/03/05); and
- EPF/1155/05 – Land at Theydon Mount – green burial ground with car park (Area Plans C 16/11/05).

Costs:

7. No awards of costs were made in this 6-month period against the Council, but the Council were successful in obtaining a partial award of costs when an appellant withdrew his enforcement appeal at a very late stage, relating to Magdalen Laver Hall.

Conclusions:

8. The Council's performance for this 6-month period continues to be a reflection of the quality of decision-making by both officers and members at committee, though some individual decisions were disappointing.

9. The decisions are listed in the Members Bulletin from time to time but a full list of decisions over this six-month period appears at Appendix 1.
