The Councillor had determined that his interest was prejudicial and would leave the meeting for the consideration of the application and voting thereon:

(b) Pursuant to the Council's Code of Member Conduct, Councillors Mrs S Perry, C Whitbread and J M Whitehouse declared a personal interest in the following item of the agenda, by virtue of being a member of Epping Town Council. The Councillors had determined that their interest was not prejudicial and would remain in the meeting for the consideration of the application and voting thereon:

- EPF/1792/06 – 1 & 2 Brook Road, Epping.

#### 45. CHAIRMAN

As the Chairman had declared a prejudicial interest for the next item of business, Tree Preservation Order EPF/12/06 at 23 High Street in Epping, the Vice-Chairman had agreed to chair the meeting for the duration of that item.

#### 46. ANY OTHER BUSINESS - TREE PRESERVATION ORDER - EPF/12/06 - 23 HIGH STREET, EPPING

In accordance with Section 100B(4)(b) of the Local Government Act 1972, together with paragraphs (6) and (24) of the Council's Procedure Rules, the Vice-Chairman had permitted consideration of this issue as an urgent item due to an impending Planning Appeal in relation the property due to be heard before the next scheduled meeting of the Sub-Committee.

The Assistant Head of Planning and Economic Development (Planning Services) presented a report concerning a Tree Preservation Order at 23 High Street, Epping to protect a semi-mature sycamore tree with purple backed leaves. The Tree Preservation Order had been made due to the submission of a planning application that had indicated the tree would be removed. As several large trees in the area had already been removed, it was considered necessary to protect this tree as it had high visual amenity value, public amenity value due to its attractive foliage, and a high wildlife value. A planning inquiry on the development was due to be heard on 5 December following the Council's refusal to grant planning consent.

An objection to the Tree Preservation Order had been received from Ian Keen limited on behalf of McCarthy & Stone (Developments) limited, however the Council had also received eleven letters in support of the Tree Preservation Order. The Council's Landscaping Policy required that adequate provision be made for the retention of trees in such situations. It was felt that this was an important and much appreciated tree that would be felled during the proposed redevelopment of the site if it was not suitably protected.

#### RESOLVED:

That Tree Preservation Order EPF/12/06 at 23 High Street, Epping be confirmed.

#### 47. PROBITY IN PLANNING - APPEAL DECISIONS APRIL 2006 - SEPTEMBER 2006

The Head of Planning Services presented the bi-annual Planning Appeals report and highlighted that there had been no appeal decisions allowed by the Inspector following the Sub-Committee's decision to refuse permission, contrary to the Planning Officer's recommendation. The Sub-Committee were further informed that the Best Value Performance Indicator had been amended to reflect only appeals

against the refusal of planning permission, for which the Council had set a target of 24%. The Council's performance of 26% had narrowly failed to achieve this target, however the Council's performance was better than the national average of 33%. There were no award of costs against the Council during this period, and the Council were successful in securing a partial award of costs in one case. The Council's performance continued to reflect the quality of decision-making by both officers and members.

**RESOLVED:**

That the Planning Appeal Decisions for the period April 2006 to September 2006 be noted.

**48. DEVELOPMENT CONTROL**

The Sub-Committee considered a schedule of applications for planning permission.

**RESOLVED:**

That the planning applications numbered 1 – 2 be determined as set out in the attached schedule to these minutes.

**49. DELEGATED DECISIONS**

The Sub-Committee noted that schedules of planning applications determined by the Head of Planning and Economic Development under delegated authority since the last meeting had been circulated and could be inspected at the Civic Offices.
