

## **APPENDIX 1 - CONTRACT STANDING ORDERS DRAFT 3**

### **C1 Compliance with Standing Orders**

(1) Every contract made by the Council or on behalf of the Council except as hereinafter provided shall comply with:

- Standing Orders
- Financial Regulations
- The Local Government Act 1972
- The Local Government Act 1988, Part 2
- The Local Government Planning and Land Act 1989, and supporting documentation.
- Local Government Acts 1999, 2000, 2003
- Common-hold and Leasehold Reform Act 2003
- The Local Government (Contracts) Act 1997
- The EU Regulations
- Any relevant European Council Directive and any other current legislation for the time being in force
- Asset Management Plan

Where there is a conflict between Standing Orders, Financial Regulations and any statutory requirements, the Council must comply with statutory requirements.

(2) Before seeking quotations or inviting tenders in respect of any contract, a Chief Officer must establish whether a central contract exists which meets the requirement. If a central contract does exist then it must be used unless the appropriate Chief Officer in consultation with the Cabinet or Portfolio Holder if authorised under the general scheme of delegation or specific regulation is able to demonstrate that there are specific advantages to be obtained via alternative arrangements. In such circumstances consideration shall be given to whether a new/revised central contract would be advantageous and appropriate.

(3) Where the Council is acting as agent for a Government Department, or for another authority under the terms of an agency agreement, nothing in these Standing Orders shall be taken to authorise or require any departure from the instructions or requirements of those departments or the terms of any Agency Agreement.

(4) No exception from any of the provisions of these Standing Orders other than those provided for within the Standing Orders themselves, shall be made

otherwise than by direction of the Council, the Cabinet, **(ADD “or a Portfolio Holder”)** **(DELETE – “or by a Cabinet Committee or Portfolio Holder) if duly authorised under the general scheme of delegation or specific resolution”)**. Where **(DELETE “they are”)** satisfied that the exception is of necessity and justified in special circumstances. **(ADD “Where a Portfolio Holder seeks to waive any provisions in these Contract Standing Orders, they may do so only on the recommendation of the relevant Chief Officer and after consultation with the Monitoring Officer and the Chief Financial Officer and subject to the financial consequences not exceeding £250,000 or not constituting a departure from existing Council policy.”)**

- (5) The reasons for any exception so made by the Council, or the Cabinet shall be made only pursuant to a report of the relevant Chief Officer and the reasons for such an exception shall be recorded both in the report of the Chief Officer and in the minutes of the appropriate meeting.
- (6) For the purposes of these Standing Orders, the expressions
- (a) "Chief Officer" means a Joint Chief Executive or a Head of Service;
  - (b) "Cabinet" means a duly constituted and convened meeting of those Councillors appointed to serve as Cabinet members;
  - (c) "Cabinet Committee" means a duly constituted and convened meeting of those Councillors appointed by the Council to the Cabinet Committee concerned;
  - (d) "Portfolio Holder" means a Councillor appointed by the Council as a member of the Cabinet with responsibility for particular portfolio of services.
- (See also C15 (appointment of consultants))
- (7) Unless otherwise specifically provided, where a value or an estimated value is given in these Contract Standing Orders, this refers to the aggregate payable in pounds sterling exclusive of VAT over the entire contract period.
- (8) Chief Officers must ensure that a pre-tender estimate **(ADD “for a contract of a value in excess of £50,000”)** of anticipated costs is prepared and recorded in writing. Where the EU Public Procurement rules apply, Chief Officers must also ascertain the value of a contract in accordance with those rules.
- (9) The value of orders, which can be combined in one contract, must be added together **(ADD “over a period of one year”)** when deciding which tendering or quotation method is to apply. Contracts must not be artificially under or over estimated or divided into two or more separate contracts where the effect is to avoid the application of Contract Standing Orders.
- (10) Where the aggregate sum payable to one supplier of goods, works or services in a financial year is likely to exceed the limits of authority referred to in these Contract Standing orders, the Chief Officer must report to the Cabinet and seek a waiver of the Standing Order. It is the responsibility of

the Chief Officer to ensure that such a report is submitted prior to the limit of authority being breached.

- (11) If any officer is made aware of or becomes aware of an actual or potential breach of the procedures contained in these Contract Standing Orders or any other statutory requirement, that officer shall report the breach immediately to the Chief Officer or the Chief Internal Auditor as appropriate. It shall be a further requirement that any instances of serious non-compliance shall be reported by the Chief Officer concerned or the Chief **(ADD “Internal”)** Auditor to the Cabinet at the first available meeting **(ADD “if the value of the contract exceeds £50,000.”)**

**(ADD new paragraph as follows:**

**(12) “These Contract Standing Orders apply to procurement of goods and services outside the framework of the Essex Procurement Hub (EPH). Use of these Contract Standing Orders for procurement purposes shall only be used where Chief Officers can demonstrate that procurement through the EPH is not possible”.**

- (13) The Contract Standing Orders are part of the Constitution of the Council and may only be varied at a Council Meeting on the recommendation of the Cabinet.

## **C2 Council’s Works Unit and Equivalent Organisations**

- (1) The Council's Works Unit shall have authority to **(DELETE “sub-contract”)** **(ADD “enter into contracts”)** works up to 20% of their annual turnover. - (2) The Works Unit will have its own list of approved contractors which shall be in addition to the main list. The Works Unit list will be compiled taking into account the requirements of Standing Order C11(5) (Pre-Qualification Information) in respect of contracts in excess of £20,000. The contractors on the Works Unit list, which shall be reported to and approved by the Cabinet, will generally speaking be smaller companies or specialist contractors who would not in the normal course of events be included on Constructionline.
- (3) Where works are contracted in accordance with the provisions of these Standing Orders, the Council's Works Unit responsible for appointing the subcontractor retains full responsibility for the quality, performance and completion of the works as though they had been carried out by direct employees of the Council.
- (4) The Chief Officer must be satisfied that any **(DELETE “sub”)**-contractor used is appointed in accordance with the requirements of Standing Order C2(2).

In the case of a contract for consultancy services, the form of agreement is available on the Council's intranet unless the Chief of Legal, Administration and Estates Officer otherwise directs. Each Chief Officer shall at all times have regard to best value requirements in the procurement of services and entering into contracts which are set out in Financial Regulations and if best value considerations result in a quotation other than the lowest in financial terms being accepted, the reasons for so deciding shall be documented by the Chief Officer making that decision.
- (2) Written quotations must be obtained for contracts which have a value of up to £20,000. The minimum number of quotations needed is:

"**

- (2) Where the goods and/or services are of a repetitive and regular nature and not covered by a central contract as referred to in Standing Order C1(2) (Central Contracts) an annual contract or contract for such other period as the Chief Officer shall consider appropriate shall be entered into for the supply of such goods/services and be in accordance with Standing Orders C12 (Serial Contracts) or C14 (Exceptions for Consortia).
