

Report to the Council

Committee: Cabinet

Date: 21 February 2017

Subject: Pay Policy Statement 2017/18

Portfolio Holder: Councillor A Lion (Technology & Support Services)

Recommending:

(1) That the attached Pay Policy Statement for 2017/18 be approved.

1. The Localism Act 2011 requires the Council to publish a Pay Policy Statement setting out details of its remuneration policy, and specifically including the Council's approach to its highest and lowest paid employees. The Council's Pay Policy Statement was first published on the Council's website in March 2012, and is updated on an annual basis.

2. The matters which must be included in the statutory Pay Policy Statement are as follows:

- The Council's policy on the level and elements of remuneration for each Chief Officer;
- The Council's policy on the remuneration of its lowest paid employee (together with its definition of 'lowest paid employees' and its reasons for adopting that definition);
- The Council's policy on the relationship between the remuneration of its Chief Officers and other Officers; and
- The Council's policy on specific aspects of Chief Officers' remuneration: remuneration on recruitment, increases and additions to remuneration, use of performance-related pay and bonuses, termination payments and transparency.

3. The Act defines remuneration in broad terms and guidance suggests that it is to include not just pay but also charges, fees, allowances, benefits in kind, increases in/enhancements of pension entitlements and termination payments. The Council's Pay Policy Statement for 2017/18 has also been amended to reflect the Returning Officer fees paid in 2016/17.

4. The draft Pay Policy Statement for 2017/2018 sets out the Council's current practices and policies and is attached at Appendix 1. The amendments are highlighted bold.

5. Changes to the Policy Statement can be made through the year subject to full Council's agreement. Changes to the various policies and guidelines will continue to be agreed in accordance with current practices.

6. We recommend as set out at the commencement of this report.
