<b>PARISH:</b>	Nazeing
<b>WARD:</b>	Lower Nazeing
<b>DESCRIPTION OF PROPOSAL:</b>	Conversion of existing outbuildings to dwelling.
<b>DECISION:</b>	<b>GRANT (With Conditions)</b>

## CONDITIONS

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Details of the types and colours of the external finishes shall be submitted for approval by the Local Planning Authority in writing prior to the commencement of the development, and the development shall be implemented in accordance with such approved details.
- 3 Prior to the commencement of development details of screen walls, fences or such similar structures shall be agreed in writing by the Local Planning Authority, and shall be erected before the occupation of any of the dwellings hereby approved and maintained in the agreed positions.
- 4 Notwithstanding the provision of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no windows other than any shown on the approved plan shall be formed at any time in the flank walls of the building hereby permitted without the prior written approval of the Local Planning Authority.
- 5 Notwithstanding the provisions of the Town and Country Planning General Permitted Development Order 1995 as amended (or any other order revoking, further amending or re-enacting that order) no development generally permitted by virtue of Part 1, Classes A, B, C, E, F and G, or by Part 2, Classes A and B shall be undertaken without the prior written permission of the Local Planning Authority.
- 6 Before the commencement of the development or any works on site, details of the landscaping of the site, including retention of trees and other natural features, shall be submitted in writing for the approval of the Local Planning Authority, and shall be carried out as approved.
- 7 No development shall take place until details of tree planting, including positions or density, species and planting size have been submitted to and approved in writing by the Local Planning Authority, and shall be carried out prior to the occupation of the development for its permitted use, or in accordance with a timetable agreed in writing with the Local Planning Authority. If within a period of five years from the date of planting any tree, or replacement, is removed, uprooted or destroyed or dies or becomes seriously damaged or defective, another tree of the same species and size as that originally planted shall be planted at the same place unless the Local Planning Authority gives it's written consent to any variation.
- 8 Prior to the commencement of the development details of the proposed surface materials for the access and parking areas shall be submitted to and approved in writing by the Local Planning Authority. The agreed surface treatment shall be completed prior to the first occupation of the development.

- 9 The parking area shown on the approved plan shall be provided prior to the first occupation of the development and shall be retained free of obstruction for the parking of residents (staff) and visitors vehicles.
- 10 Prior to commencement of development, including demolition or site clearance works, a phased contaminated land investigation shall be undertaken to assess the presence of contaminants at the site in accordance with an agreed protocol as below. Should any contaminants be found in unacceptable concentrations, appropriate remediation works shall be carried out and a scheme for any necessary maintenance works adopted.

Prior to carrying out a phase 1 preliminary investigation, a protocol for the investigation shall be agreed in writing with the Local Planning Authority and the completed phase 1 investigation shall be submitted to the Local Planning Authority upon completion for approval.

Should a phase 2 main site investigation and risk assessment be necessary, a protocol for this investigation shall be submitted to and approved by the Local Planning Authority before commencing the study and the completed phase 2 investigation with remediation proposals shall be submitted to and approved by the Local Planning Authority prior to any remediation works being carried out.

Following remediation, a completion report and any necessary maintenance programme shall be submitted to the Local Planning Authority for approval prior to first occupation of the completed development.
