APPLICATION No:	EPF/2364/17
SITE ADDRESS:	Rozel Loughton Lane Theydon Bois Essex CM16 7JY

WARD:	Theydon Bois

http://planpub.eppingforestdc.gov.uk/NIM.websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=599155

REASON FOR REFUSAL

- 1 By reason of its bulk, height and siting in close proximity to the site boundary with Branscombe, Loughton Lane, the proposed dwelling would appear excessively overbearing when seen from Branscombe, causing significant harm to outlook from the relatively large adjacent area of its' rear garden. As a consequence, the proposal would cause excessive harm to the living conditions of Branscombe, contrary to Local Plan and Alterations policy DBE9 and Draft Local Plan Submission Version 2017 policy DM9, which are consistent with the National Planning Policy Framework.

Way Forward

Members considered a revised proposal of significantly reduced height and bulk that is set significantly further away from the site boundary with Branscombe would be likely to address the reason for refusal.

http://planpub.eppingforestdc.gov.uk/NIM_websearch/ExternalEntryPoint.aspx?SEARCH_TYPE=1&DOC_CLASS_CODE=PL&FOLDER1_REF=599223

REASON FOR REFUSAL

- 1 By reason of its bulk, height and siting at higher level in close proximity to the site boundary with 45 Sunnyside Road and by reason of its projection rear of the rear elevation of 45 Sunnyside Road, the proposed dwelling would appear excessively overbearing when seen from 45 Sunnyside Road, causing significant harm to outlook from windows in its flank and rear elevation. As a consequence, the proposal would cause excessive harm to the living conditions of 45 Sunnyside Road, contrary to Local Plan and Alterations policy DBE9 and Draft Local Plan Submission Version 2017 policy DM9, which are consistent with the National Planning Policy Framework.
- 2 By reason of its height, depth and siting in relation to the houses at 45 and 47 Sunnyside Road, the proposal would appear excessively cramped within the application site, having a poor relationship to its immediate neighbours and disrupting the relationship between them. As a consequence the proposal would appear incongruous within the street scene, causing significant harm to the character and appearance of the locality, contrary to Local Plan and Alterations policy DBE10 and Draft Local Plan Submission Version 2017 policy DM9, which are consistent with the National Planning Policy Framework.

Way Forward

Following consideration, Members concluded there is no way forward for the proposal.
