**Decision Required:**

To consider the attached application for a street trading consent for the sale of food at Rebels Diner Honey Lane Waltham Abbey.

**Report:**

For the purposes of street trading, all streets within the District have been designated consent streets, which means that anyone wishing to trade must obtain a consent from the Council.

An application for such a consent, attached, has been received from Mr R Holland trading as Rebels Diner, Honey Lane, Waltham Abbey and is attached at appendix 1.

Following consultation with Members, Officers, the Highways Authority, the Police and the publication of a notice of intention by in the local newspaper, objections to the application were received from Cllr Mrs Stavrou, ECC Highways, Waltham Abbey Town Council and one local resident. In addition an observation was received from the Police. Copies of the objections are attached at Appendix 2.

Objections having been received, officers do not have delegated authority to grant the consent.

If the application is granted then officers request that it be subject to the Council's standard terms and conditions.
