I object on the following basis -

1) the application is inaccurate - it is NOT a 'newly erected conservatory' - the outdoor area was erected years and years ago with no planning permission. It NEVER got planning permission. There is yet another application in for the use of the rear of the building, which I hope will be refused.

2) the current noise from the shops are indescribable. One of the shops (specsavers) uses their back area as an outdoor staff area and currently music is 'booming out' to the residential neighbours at the rear. The side of Wetherspoon (Last Post) is used as a drinking/smoking area - this gets to anyone unacceptable level in the afternoons and evenings. Nandos have music booming night and day. The Standard have their windows and doors open and boom out contrasting music to their Nandos neighbour. Please do not accept this application and add to the noise pollution in Priory Road and Loughton High Street. Noise should be kept internally. Alcohol increases noise.

3) I am neighbourhood watch for Priory Road. My area stretches to the fence line at Molens. Currently, burglaries are high in this area. Many burglaries are rear entries via fences. If the back of Molens was opened up (remember no planning permission at the moment), then there could be an increase in burglaries. This would affect the houses to the rear of Molens.

4) The rear of Molens is a residential area - alcohol increases noise and nuisance behaviour. Alcohol is NOT acceptable in a residential area. The rear area should not be used (currently no planning permission) and alcohol should be banned.

5) The current residents bordering the fence moved in when the premise was a small indoor cafe. This should stay as an indoor cafe. An outdoor cafe with alcohol is not appropriate for a residential area.

6) I cannot concentrate anymore as the radio at Specsavers is so loud, that I can't think. This is an example of public nuisance. Hopefully, you can prevent this at Molens.
