## **Report**

1. Housing Service Strategies were originally produced around 9 years ago in accordance with an agreed standard framework, and are updated very three years. The Housing Service Strategies give more detail than the Council's main Housing Strategy on the various housing services provided. In total, 16 Housing Service Strategies have been produced to date, covering:

House Sales & Leasehold Services	Rent Arrears
Rent Collection and Administration	Homelessness
Under-occupation	Housing Information
Tenant Participation	Private Rented Sector
Housing Management Services	Older Peoples Housing Services
Housing Allocations	Housing Advice
Empty Properties	Energy Efficiency
Anti-Social Behaviour	Harassment

2. The Strategies are produced to a common format that set out how individual housing services will be delivered. They have assisted Housing Services in achieving the Charter Mark award for customer service excellence, ISO 9001:2000 Quality Accreditation, and have been important to meeting the minimum requirement for Supporting People funding under the conditions of the contract.

3. The Housing Scrutiny Panel is asked to consider and endorse the updated Housing Service Strategy on Anti-Social Behaviour which is attached as an appendix to the report and provide any comments to the Housing Portfolio Holder for incorporation.

## **Consultation**

4. The Tenants and Leaseholders Federation were consulted on the Strategy at their meeting on 25 July 2007 and agreed the document. The Anti-Social Behaviour and Violent Crime Tasking Group, which forms part of the Crime and Disorder Partnership, were consulted at their meeting on 25 July 2007 and had some minor comments which have been

incorporated into the Strategy. The CAB will be consulted on 23 October 2007 and their comments reported at the meeting.
