<b>APPLICATION No:</b>	EPF/1429/07
<b>SITE ADDRESS:</b>	34 Oak Lodge Avenue Chigwell Essex IG7 5HZ
<b>PARISH:</b>	Chigwell
<b>WARD:</b>	Grange Hill
<b>DESCRIPTION OF PROPOSAL:</b>	Part two, part single storey rear and side extension, loft conversion with rear dormer window and alterations to roof including addition of pitch to existing side extension. (Revised application)
<b>DECISION:</b>	REFUSE PERMISSION

**REASON FOR REFUSAL**

- 1 The proposed extensions, by reason of their siting and size would result in loss of light to a first floor habitable room on the site wall of No. 32 Oak Lodge Avenue, and therefore be contrary to Policy DBE9 of the Adopted Local Plan and Alterations.

<b>APPLICATION No:</b>	EPF/1326/07
<b>SITE ADDRESS:</b>	197 The Broadway Loughton Essex IG10 3TE
<b>PARISH:</b>	Loughton
<b>WARD:</b>	Loughton Broadway
<b>DESCRIPTION OF PROPOSAL:</b>	Alteration and extension to existing dwelling to provide 4 no. 2 bed flats. (Revised application)
<b>DECISION:</b>	Refuse Permission

**REASONS FOR REFUSAL**

- 1 The extension and subdivision of the existing dwelling into 4 no. residential flats would detract from the character of the surrounding area and would set an undesirable precedent for similar conversions, contrary to policy DBE11 of the adopted Local Plan and Alterations.
- 2 The proposed rear dormer windows, due to their size and design, would dominate the roof slope and be an incongruous addition detrimental to the character and appearance of the original property, contrary to policy DBE10 of the adopted Local Plan and Alterations.

<b>DESCRIPTION OF PROPOSAL:</b>	Demolition of existing bungalow and erection of a replacement building containing three apartments. (Revision to planning approval EPF/636/07)
<b>DECISION:</b>	Grant Permission (With Conditions)

**CONDITIONS**

- 1 The development hereby permitted must be begun not later than the expiration of three years beginning with the date of this notice.
- 2 Prior to the commencement of development details of screen walls, fences or such similar structures shall be agreed in writing by the Local Planning Authority, and shall be erected before the occupation of any of the dwellings hereby approved and maintained in the agreed positions.
- 3 Materials to be used for the external finishes of the proposed extension, shall match those of the existing building.
- 4 Notwithstanding the provision of the Town and Country Planning General Permitted Development Order 1995 (or of any equivalent provisions of any Statutory Instrument revoking or re-enacting the Order) no windows other than any shown on the approved plan shall be formed at any time in the flank walls of the building hereby permitted without the prior written approval of the Local Planning Authority.
- 5 Wheel washing or other cleaning facilities for vehicles leaving the site during construction works shall be installed in accordance with details which shall be submitted to and agreed in writing by the Local Planning Authority and these facilities installed prior to the commencement of any building works on site, and shall be used to clean vehicles leaving the site.
- 6 No development shall take place, including site clearance or other preparatory work, until full details of both hard and soft landscape works (including tree planting) have been submitted to an approved in writing by the Local Planning Authority, and these works shall be carried out as approved. These details shall include, as appropriate, and in addition to details of existing features to be retained: proposed finished levels or contours; means of enclosure; car parking layouts; other vehicle artefacts and structures, including signs and lighting and functional services above and below ground. Details of soft landscape works shall include plans for planting or

establishment by any means and full written specifications and schedules of plants, including species, plant sizes and proposed numbers / densities where appropriate. If within a period of five years from the date of the planting or establishment of any tree, or shrub or plant, that tree, shrub, or plant or any replacement is removed, uprooted or destroyed or dies or becomes seriously damaged or defective another tree or shrub, or plant of the same species and size as that originally planted shall be planted at the same place, unless the Local Planning Authority gives its written consent to any variation.

- 7 No development shall take place, including site clearance or other preparatory work, until all details relevant to the implementation of hard and soft landscape works and tree planting, hereafter called the Landscape Method Statement, have been submitted to the LPA, and the development shall not commence until the Landscape Method Statement has been approved by the LPA in writing. All landscape works shall be undertaken in accordance with the approved details, unless the LPA has given its prior written consent to any variation.

The Landscape Method Statement shall include as appropriate, protection of the planting areas, where appropriate by fencing, during construction; preparation of the whole planting environment, particularly to provide adequate drainage; and the provision which is to be made for weed control, plant handling and protection, watering, mulching, and the staking, tying and protection of trees. The Landscape Method Statement shall also normally include provision for maintenance for the period of establishment, including weeding, watering and formative pruning, and the removal of stakes and ties. Provision shall be made for replacement of any plant, including replacements, that are removed, are uprooted, or which die or fail to thrive, for a period of five years from their planting, in the first available season and at the same place, with an equivalent plant, unless the LPA has given its prior written consent to any variation.

- 8 All hard and soft landscape works shall be completed prior to the occupation or use of any part of the development, unless the LPA has given its prior written consent to a programme of implementation. The hard and soft landscape works, including tree planting, shall be carried out strictly in accordance with any approved timetable.

The Landscape Method Statement shall state the provision which is to be made for supervision of the full programme of works, including site preparation, planting, subsequent management and replacement of failed plants.

- 9 Before the occupation or use of any phase or part of the development, whichever is the soonest, a Landscape Management Plan (LMP) shall be submitted to and approved by the LPA.

The LMP shall contain a statement of the long-term aims and objectives covering all elements of the implementation of the agreed landscape scheme and full details of all management and establishment operations over a five-year period, unless otherwise agreed in writing by the LPA. It shall also include details of the relevant management, and supervisory responsibilities.

The LMP shall also include provision for a review to be undertaken before the end of the five year period. A revised LMP shall be submitted for the agreement of the LPA before five years has expired. The revised details shall make similar provisions for the long term maintenance and management of the landscape scheme. The revised scheme shall also make provision for revision and updating.

The provisions of the LMP, and subsequent revisions shall be adhered to and any variation shall have been agreed beforehand in writing by the LPA. No trees, shrubs, hedges or other plants shall be removed for the duration of the Landscape Management Scheme or its revisions, without the prior written approval of the LPA. Any trees, shrubs, hedges or other plants being so removed shall be replaced in the first available planting season by an equivalent replacement or replacements to the satisfaction of the LPA. Management of the landscape scheme in accordance with the LMP or their agreed revisions shall not cease before the duration of the use of the development unless agreed in writing by the LPA.

- 10 Prior to the commencement of the development details of the proposed surface materials for the driveway shall be submitted to and approved in writing by the Local Planning Authority. The agreed surface treatment shall be completed prior to the first occupation of the development.
- 11 All construction/demolition works and ancillary operations (which includes deliveries and other commercial vehicles to and from the site) which are audible at the boundary of noise sensitive premises, shall only take place between the hours of 07.30 to 18.30 Monday to Friday and 08.00 to 13.00 hours on Saturday, and at no time during Sundays and Public/Bank Holidays unless otherwise agreed in writing by the Local Planning Authority.
