21st August 2007.

Dear Sirs,

I would wish to strongly object to the application by The Nu Bar to extend their opening times by one hour, for the following reasons, and because these premises are at the bottom of our road, and many of the roads that are affected by the operation of these premises are residential.

-The clients of the premises tend to be younger (and noisier) than the traditional pub customer.

-There is a lot of noise at closing time, and extending this to the early hours of almost every day of the week is unacceptable in a residential area, where people have to go to work, or children have to go to school.

-At a time where there is national concern over the effects of alcohol on crime, anti-social behaviour, and public nuisance, it seems irresponsible to contribute to this by further extending drinking hours.

I would therefore ask you to take these concerns into account, recognising the concerns of local residents, and not those of commercial interests, who already contribute to some of the problems we have, and refuse this application

Yours sincerely

Peter Babushkin
