REFUSED

1. The proposal, by reason of its design, scale, proximity and site level differences, would have a detrimental impact on the amenities of the adjoining dwellings to its rear at 22 - 26 Gravel Lane in terms of overbearingness. The proposal is therefore contrary to policies CP2 and DBE9 of the adopted Local Plan and Alterations (1998 & 2006), Policy DM9 of the Epping Forest District Local Plan (Submission Version) 2017 and the NPPF 2019.

2. The proposal, by reason of windows in its eastern elevation, would give rise to a perceived sense of overlooking to the detriment of the living conditions of the adjoining dwellings to its rear at 24 - 26 Gravel Lane. The proposal is therefore contrary to policies CP2 and DBE9 of the adopted Local Plan and Alterations (1998 & 2006), Policy DM9 of the Epping Forest District Local Plan (Submission Version) 2017 and the NPPF 2019.

3. The proposal, by reason of its design, scale and detached, standalone nature, would be inconsistent with the terraced arrangement and plan form of properties in Maypole Road. The proposal is therefore contrary to policies CP2 and DBE10 of the adopted Local Plan and Alterations (1998 & 2006), Policy DM9 and DM10 of the Epping Forest District Local Plan (Submission Version) 2017 and the NPPF 2019.

4. The proposal would result in a significant loss of garden amenity to the host property at 33 Maypole Road rendering the remaining garden insufficient for this family dwelling. The proposal is therefore contrary to policies CP2, DBE8 and DBE9 of the adopted Local Plan and Alterations (1998 & 2006), Policy DM9 and DM10 of the Epping Forest District Local Plan (Submission Version) 2017 and the NPPF 2019.
Members gave consideration to whether it is likely that amendments to the proposal could overcome their objections and concluded there was no way forward for the proposal given the extent of concerns raised.

PARISH: Chigwell

WARD: Chigwell Row

APPLICANT: Mr J Oddi

DESCRIPTION OF PROPOSAL: Demolition of existing garages and rebuild to provide 3 no. garage units.

DECISION: Refused

REFUSED

1 The proposal, by reason of its increase in size from 2 to 3 garages, together with the insignificant reduction in height compounded with site level differences, would have a detrimental impact on the amenities of the adjoining dwellings to its rear at Nos 26-30 Gravel Lane in terms of overbearingness. The proposal is therefore contrary to policies CP2 and DBE9 of the adopted Local Plan and Alterations (1998 & 2006), Policy DM9 of the Epping Forest District Local Plan (Submission Version) 2017 and the NPPF 2019.

2 The proposal, by reason of the unrelieved extent of side and rear walls to its northern and eastern elevations, compounded by site level differences would have a detrimental impact on the outlook of the adjoining property to its north at 26 Maypole Road, and the amenities and living conditions to the properties to its east at 26 - 30 Gravel Lane. The proposal is therefore contrary to policies CP2 and DBE9 of the adopted Local Plan and Alterations (1998 & 2006), Policy DM9 of the Epping Forest District Local Plan (Submission Version) 2017 and the NPPF 2019.

Members gave consideration to whether it is likely that amendments to the proposal could overcome their objections and concluded there was no way forward for the proposal given the extent of concerns raised.
