Hi I live at number [REDACTED] road and would like to register my view on the licensing application.

I think it is totally unfair that residents of this road have to struggle through this new trend of live music at 11.00pm on a weekday! Which can be heard clearly from our homes.

Totally unacceptable, I have already had to make 2 complaints about the noise of neighbouring restaurants.

It is totally unfair when I have to be at work at 5.30am! It also encourages drunkard behaviour.

Your mandate is to support residents and frankly I don't think our best interest is being considered.
