**Epping Forest
District Council**

This report has been considered and endorsed by the Housing Scrutiny Panel

Recommendations/Decisions Required:

That, following detailed consideration by the Housing Scrutiny Panel, and consultation with the Tenants and Leaseholders Federation, Citizen Advice Bureaux, Parish and Town Councils and Registered Social Landlord Partners, the proposed changes to the Housing Allocations Scheme as set out in Appendix One be agreed.

Report:

Background

1. The Council is legally required to have an Allocations Scheme setting out the procedures for allocating its housing accommodation and making nominations to Registered Social Landlords (RSLs). Each year the Cabinet considers the Council's Allocations Scheme and reviews any changes to be made, following detailed consideration by the Housing Scrutiny Panel, which is the purpose of this report. In September 2004, the Council introduced a Banding Scheme, which forms the basis of prioritising housing applications. Since its introduction, this system of allocating properties has worked well with no major problems arising.

2. At its meeting on 6 February 2006 (Minute 155 refers) the Cabinet agreed the framework for the Choice Based Lettings Scheme for all the Council's vacant social rented properties and that the functions relating to the scheme be delegated to the Head of Housing Services.

3. On 18 December 2006, the Cabinet agreed that the changes to the Allocations Scheme for the current year be made in two stages, with the second stage being implemented following the Choice Based Lettings Scheme going live. At the time of writing the report it is anticipated that the Council will implement Choice Based Lettings on 19 November 2007.

4. At its meeting on 25 October 2007, the Housing Scrutiny Panel considered in detail the proposed changes to the Allocations Scheme for 2008/2009 and its comments have been incorporated into this report.

5. The Cabinet is asked to consider the changes to the Allocations Scheme, with effect from 1 April 2008 which are set out in Appendix One. A copy of the current Scheme has been distributed separately; further copies can be obtained from either Housing or Democratic Services.

Incentives to Discourage Under Occupation

6. The Housing Scrutiny Panel suggested that the incentives set out in Paragraph 13 of the Allocations Scheme be reviewed in an attempt to encourage existing tenants who are under-occupying to move to smaller Council owned accommodation. Currently, where a tenant moves from a 3 or 4 bedroom property to a 1 bedroom property, they will be offered £500 to cover removal costs plus £500 for each bedroom “released” subject to a maximum payment of £2,000.

7. A survey of incentives offered by neighbouring authorities has been undertaken for comparison purposes, the results are as follows:

Authority	Amount per bedroom (£)	Removal Expenses (£)	Maximum Allowance (£)	Property Size	Amount Received e.g. 3 Bedroom to 1 Bedroom property (£)
Epping Forest District Council	500	500	2,000	Three or Four Bedroom to any One Bedroom	1,500
Harlow District Council	500	Nil	2,000	Two, Three or Four Bedroom to any One Bedroom	1,000
Uttlesford District Council	500	500	2,000	Three or Four Bedroom to any one or two Bedroom	1,500
Brentwood Borough Council	1,000	Nil	2,000	Any downsize	2,000
Chelmsford Borough Council	1,000	Nil	3,000	Any downsize	2,000

Note: Incentives are only offered if the tenant has a housing need for the downsized property.

8. It is suggested that the current levels of incentives remain but the categories of tenants to be offered the incentives be extended to include those moving from 2-bedroom accommodation to one-bedroom accommodation. In addition, officers will publicise the incentives again in the tenant’s magazine, “Housing News”. Furthermore, following the Census of all tenants, (which was carried out earlier this year), when all of the information has been loaded onto the computer system, those tenants who are under-occupying, will be notified in writing of the incentives.

Statement in support of recommended action:

9. The changes proposed to the Allocations Scheme will generally update the scheme, ensure fairness to all applicants, and discourage under occupation.

Options for action:

10. Not to agree the changes to the Council's Allocations Scheme from 1 April 2008.

Consultation undertaken:

11. The Tenants and Leaseholders Federation, the Citizens Advice Bureaux, all of the Council's partner Registered Social Landlords (RSLs) (in accordance with the Housing Act) and local councils (in accordance with the Local Council's Charter) have been consulted on the proposed changes, and where considered appropriate, their views have been incorporated into the report. A summary of all the comments received is given at Appendix 2, together with the views of the Housing Portfolio Holder on the comments received.

Band 1 (c)	Delete "Brook Haven" from second bullet point. Add bullet point "Living in Brook Haven for 6 months and having been served with a S21 Notice following their situation being resolved."	Brook Haven is a scheme to accommodate a person who is fleeing domestic violence. Their occupancy status is that of an assured short-hold tenant and therefore would live there for at least 6 months. They would be able to participate in the Choice Based Lettings Scheme after being served with a S21 Notice ending their tenancy 2 months after the Notice had been served.
Band 2 (b)	Add "or the Fresh Start Scheme" after Housing Act 1985	Some persons accepted by the Council as homeless and eligible for assistance, in priority need and not intentionally homeless are placed in "Fresh Start" private sector leasing properties and should be in the same priority band as homeless applicants granted non-secure tenancies
Band 4 (d)	Delete	Those with no fixed address would be treated as homeless
Band 5 (d)	Delete reference to "Swan"	The floating support scheme is funded through Supporting People. Following floating support services being put out to tender by the Supporting People Team, the service is now provided by "In Touch Support."
Reserved Vacancies	Delete reference to the accommodation provided to Swan Housing Association	Following the transfer of floating support services to "In Touch Support" properties are no longer leased to Swan Housing Association. The service is provided now to either secure or non-secure tenants
