LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

The premises is to be a high end fish restaurant run and staffed by experienced staff who are aware of their obligations to promote an environment which adheres to the licensing objectives.

b) The prevention of crime and disorder

The premises are to be run by experienced staff.

The customers are likely to be adults who are dining at the restaurant and as a result there is little concern regarding drugs, violence and antisocial behaviour.

Those under 18 would be allowed on the premises but would not be permitted at the bar. Young children would accompany adults for meals and are not permitted at the bar.

Photographic ID will be required where there is doubt over age. If none is provided, then alcohol will be refused.

Drunkenness on the premises is not to be tolerated and any such person would be asked to leave immediately.

The premises will be run on a day to day basis by the owner of the business who is to be the designated supervisor.

CCTV will be covering the front door, surrounding building and all internal areas except for toilets.

c) Public safety

The premises have capacity for approximately 80 people seated. The building is in a mixed commercial / residential area. There will be fire safety equipment positioned about the premises including the kitchen. The premises will also have smoke detectors and heat detectors connected to the alarm system. All equipment is to be tested regularly. Fire exits will be clearly marked. The designated supervisor and other management staff have had training in fire drills and first-aid. The applicant will also be arranging for further fire safety training pertaining to the premises applied for.

A 30 minute winding down period is proposed.

d) The prevention of public nuisance

The premises is in a location close to the tube, road and commercial premises. There is easy access to and from the premises both by car and public transport. There are external lights to the front. The waste bins are emptied by the council

Continued from previous page...

during the daytime. The customers are expected to be usually mature people who are also dining at the restaurant together with consuming alcohol. As a result there is little concern regarding drugs, violence and antisocial behaviour. Drunkenness on the premises is not to be tolerated and any such person would be asked to leave immediately.

The premises will be run on a day to day basis by the owner of the business who is to be the designated supervisor. The designated premises supervisor/owner has over 30 years experience as a restaurateur and has held a licence for 25 years without ever having had any problems with the licence or the commission of any crimes on licensed properties in that entire period. The premises is also installing a state of the art extraction system at a cost of some £60,000 to minimise cooking odours, with the extraction on the petrol station side of the premises.

e) The protection of children from harm

Any children on the premises are likely to accompany adults. Children are not to be permitted at the bar area. The premises will be run by experienced staff, who will refuse alcohol to any one under age and Photographic ID is required in case of any doubt. The customers are usually mature people who are also dining at the pub restaurant as a result there is little concern regarding drugs, violence and antisocial behaviour which would impact on any children present.

There is no adult material on the premises which the children would come in contact with and there are to be no events aimed at children.

Staff will receive refresher training on the serving of alcohol and who is allowed to be served alcohol.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

RE: 26 High Street, Epping, Essex, CM16 4AE

Dear Sirs,

I write, in my capacity as a local resident, regarding the above licensing application and the concerns it raises for myself and other residents.

Licensable hours:

The hours requested seem excessive, particularly during weekdays and Sundays, for a mixed use development, so close to many residential units and if the establishment is going to be the restaurant it claims, rather than a drinking establishment, earlier hours on closing, alcohol and music should be reduced. The late hours requested will cause significant nuisance for residents, the noise from the music at the restaurant and people leaving the restaurant will mean residents, and there young children, will be kept away until a minimum of 11:30 every evening, leaving a potential, serious, negative impact on residents health and quality of life. I have researched online and cannot see any restaurant that is licensed until 23:30, so I cannot see why this premises would be an exception. I would like to point the council specifically in the direction of 7.1 of their own licensing policy:

Licensing Hours 7.1 The Council recognises that longer licensing hours may be in the interests of the community by avoiding concentrations of disturbance from customers leaving premises whilst ensuring that nuisance is minimised to local residents. Premises will generally be able to sell alcohol during the hours they are permitted to open. Entertainment providers may provide a range of entertainment during their operating hours. When issuing a licence, however, stricter conditions are likely to be imposed with regard to noise control in the case of premises situated in largely residential areas.

Playing recorded music:

Given the close proximity to residential units upstairs and further more in the immediate vicinity, there needs to be a strict limit on how loudly the music can be played and what times. I would request that the council impose a condition of a very low level until no later than 21:00 (I believe this will be suitable anyway as this is only a restaurant, not a bar or discotheque) – without this condition, it would cause a significant public nuisance to residents.

Requested conditions:

I would request the council impose a “no vertical drinking” Is imposed as a condition, meaning people must be seated, at a table, when served alcohol. The concern if this is not imposed, this then becomes a restaurant and a bar, which the premises does not have planning permission to do so and it would not be appropriate.

I would also suggest, to prevent further public nuisance, a dispersal policy is enforced as a condition on the applicant. This is a predominantly residential area and particularly given the restaurant would have its door facing towards the Duke of Wellington Public house – this can cause group to mix and potential issues with people consuming alcohol in both establishments late at night. Also, people will congregate out of the front of the premises, immediately below residents making a lot of noise throughout and late into the evening.

Cumulative impact:

To conclude, I am of the view that the application in its current, if it were to be granted, would not be in accordance with all 4 of the licensing objectives and numerous points of Epping Forest’s licensing policy. I must stress that when considering this application, the site must be looked at specifically and not be just taken as “High street” site, it is not. It is beyond all shops and other restaurant in an area that is predominantly residential and to say this is even on the high street is misleading, the restaurant entrance and exit is on Half Moon lane.

I hope that you consider all of the above points when considering this application.

Dear Ms Merrell

Thank you for your email and for confirming that you have no objections in relation to the child protection / safeguarding element of the licence application.

As to the request for Challenge 25 to be adopted, we have agreed with Essex Police to adopt the challenge 21 practice and I attach a copy of the conditions agreed with Essex Police for your records. The licence is intended for a high-end fish restaurant and alcohol will not in any case be served to any persons that are not ordering a substantial meal.

We have agreed for the attached conditions to be attached to the licence operating schedule and I hope that these will allay any concerns you may have in this regard.

With kind regards
