

The Essex County Council (Crown Hill, Waltham Abbey) (Combined Speed Limit) Order 202*

Statement of Reasons

This scheme is to extend the 30mph limit to Crown Town Hill Nursery. The proposed 30mph terminal signs also include village gateway signs to raise the profile to the vehicles entering Upshire Village. The proposed gateway signs are in keeping with similar signs at the opposite end of the village.

30mph roundel markings are proposed on the carriageway to raise driver awareness of the 30mph Speed Limit.

As this is a PR2 route, speed humps are not permitted, however chicanes/buildouts are proposed at various locations along Crown Hill to slow vehicles passing through the village.

These measures are being introduced to reduce the speed of vehicles and improve the environment of the properties that front directly onto the carriageway.
